HETRA!!

"Our daughter is presented with many challenges, every day, every moment, but with love, therapy and assistance her engaging personality emerges every time she steps into the arena to ride her horse.

We are so thankful that HETRA can provide this for our 6 year old sweetheart. "

HETRA's 10th annual benefit will be held March 27, 2010 at Elkhorn Equestrian Center, 20901 Bennington Rd, Elkhorn, NE. The highlight of the event is a demonstration by our own HETRA students, horses and volunteers. The evening also includes dinner, live and silent auction and a country western dance to the band SideStep.

Listed below are a few examples of how your donation to our live or silent auction will help HETRA.

- ◆ Fund student scholarships
- ◆ Feed and care for our 16 therapy horses
- ◆ Purchase tack and equipment needed for the program

HETRA's mission is to improve the quality of life both physically and emotionally of adults and children with disabilities through equine assisted activities.

"We cannot imagine a life without HETRA. It has done wonders for our son's self-esteem as a person. He gets a feeling of accomplishment because the program adapts to his needs and enables him to be successful!"
